D. Analysis

Blue Mountain Resorts (BMR) has submitted similar Noise By-law exemption requests in previous years and Council resolved to grant these requests. By-law Enforcement has not received any complaints about BMR hilltop events in previous years.

Section 3 e) of the Noise By-law permits the making of noises or sounds related to the non-residential use of land permitted by a by-law enacted by the municipality pursuant to the applicable Zoning By-law from 07:00 to 19:00.

It is noted that outdoor events in themselves outside of 07:00 to 19:00 are not prohibited. The making of noise is prohibited in the instance where such events are likely to disturb the peace, quiet, comfort or repose of any inhabitant.

In accordance with the procedures set out in our Policy & Procedures for Noise By-law Relief Requests, notice to the residents within 120 metres of 201 Scenic Caves Road was circulated on April 4, 2024. The deadline for residents to submit comments is April 25, 2024, which exceeds the date of submission of this report. To date, no responses have been received, however, any additional information will be provided by a representative of the By-law Services Department at the Committee of the Whole meeting on April 29, 2024.
