Administration – Communications

Report To: COW_Finance_Admin_Fire_Community_Services
Meeting Date: May 21, 2024
Report Number: FAF.24.062
Title: Amendments to the Public Notice Policy
Prepared by: Tim Hendry, Manager of Communications and Economic Development

A. Recommendations

THAT Council receive Staff Report FAF.24.062, entitled “Amendments to the Public Notice Policy”;

AND THAT Council directs staff to proceed with the required Public Meeting in accordance with the requirements of the Municipal Act, 2001, to receive public feedback regarding the amended Public Notice Policy as presented;

AND THAT Council direct staff to schedule a Public Meeting on July 9, 2024 to receive comments from the public regarding the amended Public Notice Policy as presented;

AND THAT Council acknowledges that the provisions of the “Provision of Notice and Manner of Giving Notice to the Public Policy, POL.COR.07.03” requires 21 days’ notice of this Public Meeting, and that the Notice of Public Meeting will be posted to the Town website on June 4, 2024.

B. Overview

This report provides an overview of amendments proposed to the Town’s Public Notice Policy. The Town is required to have a Public Notice Policy as per Section 270 of Municipal Act, 2001.

This report provides details on the research conducted by staff with regard to municipal best practices for public notice policies and proposed amendments to the policy.

C. Background

Section 270 of the Municipal Act, 2001, requires that all municipalities adopt and maintain a policy with respect to the circumstances in which the municipality shall provide public notice and, if notice is to be provided, the form, manner and times notice shall be given. The Town’s current [Public Notice Policy \(POL.COR.07.03\)](#) was developed and approved in 2008.

The Public Notice Policy contains details regarding the application and administration of the policy, the content to be contained within public notices, and standards to be followed to ensure public engagement opportunities. The Classes identified within the policy are used to categorize matters for which public notice is required as listed in the Municipal Act, and the form and manner in which notice is to be given and the minimum time for providing such notice.

Following the closure of Metroland Media Group and the closure of more than 70 community newspapers throughout Canada, including the Town's former newspaper of record, the Collingwood Connection, staff identified an opportunity to update the Public Notice Policy.

The intent of the Public Notice Policy as required by the Municipal Act, is for each municipality to establish minimum notice requirements, where required. The requirement of the Municipal Act is not intended to cover all matters of municipal businesses, projects or operations. Rather, the intent is for each municipality to set minimum standards for specific matters as outlined within the Municipal Act, 2001.

It's important to highlight that the Public Notice Policy does not prevent staff from providing public notice above and beyond the requirements contained in the policy. It has become standard practice for the Town to provide public notice in a manner consistent with the principles of the Town's Communications Strategy.

In addition, given the importance of the update to the Town's Notice Policy, staff would appreciate any feedback that could be provided from the applicable Committees of Council such as the Accountability and Transparency Committee.

Communications Strategy

In 2021, Council approved the Town's first [Communications Strategy](#). The Strategy was developed in direct consultation and support with the former Community Communications Advisory Committee. The Strategy provides strong principles and a five-year framework to guide and support Town communication and public engagement efforts with a focus on the following objectives, goals and principles:

Communications Goal - The Strategy has a single goal that underscores the importance of listening and proactive communication that includes all residents and stakeholders in The Blue Mountains community.

- *An engaged community in which every voice is heard.*

Communication Objectives - To engage and listen to all residents and stakeholders, including full-time, part-time, seasonal, rural and urban, through a respectful, informed and ongoing dialogue:

1. Establish a communication baseline.
2. Cultivate communication excellence.

3. Develop creative and multi-platform content that enhances all communication activities.
4. Foster engagement and uphold public trust.

The Town's Communications Strategy is intended to be used a resource to support the minimum notification activities and actions as required within the Public Notice Policy. The Communications Strategy encourages a commitment to engaging and listening to all residents and stakeholders through a respectful, informed and ongoing dialogue. The strategy references that, in all instances, the Town should endeavour to use a number of communication tools and platforms to meet the diverse needs of residents and stakeholders.

D. Analysis

Since the Town's current Public Notice Policy was approved in 2008, the Town's Communications standards and level of service delivery related to providing public notice have significantly evolved. Additionally, the use and adoption of technology and the consumption of news and media have changed dramatically through the prevalence of smartphones, social media and online news websites. In addition, the Municipal Act and other legislation, such as the Planning Act, have changed over the years, giving municipalities flexibility in terms of the form and manner in which notice is provided.

To help inform the review, staff assessed public notice policies from a number of Ontario municipalities to determine municipal best practices. Municipal policies reviewed include the Town of Amherstburg, Clearview Township, Town of Collingwood, Parry Sound, Bracebridge, Simcoe County, Grey County, Town of Milton, Norfolk County, Northumberland County, North Stormont, Peel Region, Township of South Frontenac, City of Waterloo and City of Whitby.

Proposed Amendment – Newspaper Advertising

A key challenge facing the current Notice Policy is related to the risk of non-compliance that the Town faces where there is a legislative requirement to post notices in a newspaper. Section 87 of the Legislation Act, 2006 defines newspaper as follows: "newspaper", in a provision requiring publication, means a document that:

(a) is printed in sheet form, published at regular intervals of a week or less and circulated to the general public, and

(b) consists primarily of news of current events of general interest;

To eliminate the risk, staff are proposing an amendment to the Policy to reflect the following:

If there are no newspapers that meet the definition of a newspaper as defined within the Legislation Act, 2006 s. 87, then the Town shall, at the discretion of the Town Clerk, advertise the matter in a newspaper that does not meet the definition but has general circulation within the Municipality.

Based on the above definition and the definition included in the policy, Communications Staff in consultation with the Town Clerk support that The Blue Mountain Review and Collingwood

Today will serve as the Town's 'newspapers' of record in the absence of a local newspaper that meets the current definition of a newspaper as defined in the Legislation Act. This decision was supported through the [Local Media Review](#) project that was completed by the Town's Communications Staff in 2020 and again reviewed in 2022 through staff report [FAF.22.003](#).

Other Proposed Amendments

1. Removal of 'Planned Service Disruption' as a standalone Notice Class

- In the current policy, Planned Service Disruptions are listed as Class 4 and require a minimum of 30 days' notice required.
- The proposed amendment is for Planned Service Disruptions to be included within Class 2 – Defined or Specific Items/Issues with a minimum of 14 days' notice required.
- This amendment is recommended as planned service disruptions are generally related to a specific geographical area or to a specific Town service. The reduction of notice from 30 to 14 days is to provide greater flexibility in scheduling works to be completed based on staffing availability.

2. Addition of Public Meetings as a standalone Notice Class

- In the current policy, Public Meetings are not included/mentioned within any specific Notice Class.
- The proposed amendment is for Public Meetings to be added as a standalone class (Class 4). If a Public Meeting is held as a legislative requirement, then the provisions of the legislation shall be followed. If the Public Meeting is held at the direction of Town Council or Staff, the policy shall be followed with a minimum of 21 days notice.
- This amendment is recommended as a means to standardize the Town's Public Meeting notice requirements.

3. Addition of Public Information Centres

- A provision for Public Information Centres (PICs) has been added under the 'Application' section of the Policy and included as an option within Class 3 - Broad Community Items/Issues and Class 4 – Public Meetings.
- The proposed amendment is for Public Information Centres to be held at the direction of Council or Town Staff with a required minimum notice period of 14 days and will be advertised following the manners outlined in Class 2 – Defined or Specific Items/Issues.
- It is recommended that this amendment be included to match the Town's current practice related to public notice for Public Information Centres.

4. Planning & Development Projects

- Clarification related to public notice for Planning and Development Projects has been added under the 'Application' section of the Policy.
- The proposed amendment is for public notice related to Planning and Development Projects to adhere and meet the minimum requirements of the *Planning Act* and other applicable legislation. For matters related to planning

and development projects that are outside of the public notice requirements of the *Planning Act* or other applicable legislation, the notice requirements of Class 2 – Defined or Specific Items/Issues shall be followed.

- It is recommended that this amendment be included based on the opportunity for the Town to provide an enhanced level of public notice and communication related to Planning and Development projects.

5. Addition of Social Media

- Social media has been added as a communication tool. However, exclusive use of any form of Social Media shall not constitute as Public Notice for the purposes of meeting the requirements of the policy.

6. Exclusion of Standalone Operational Notices

- An addition was added under the “Application” section of the Policy related to the exclusion of operational notices or other matters of Town business that are deemed at the direction of the Communications Department, not to reach the threshold of requiring formal public notice. In these instances, a topic-specific communication plan is created and implemented by the Town’s Communications Department to suit the nature and intent of the matter in keeping with the standards and principles of the Town’s Communications Strategy.

7. General Housekeeping

- General edits and formatting changes were made throughout the Policy to reflect the Town standard for policy development. This includes a more robust “Definitions” section and greater detail where applicable throughout the Policy.
- A section was added related to the principles of the Town’s Communications Strategy and is intended to be used a resource to support the minimum notification activities and actions as required under the policy.

E. Strategic Priorities

1. Communication and Engagement

We will enhance communications and engagement between Town Staff, Town residents and stakeholders.

2. Organizational Excellence

We will continually seek out ways to improve the internal organization of Town Staff and the management of Town assets.

F. Environmental Impacts

No direct environmental impacts are anticipated as a result of this report. However, the general communication activities of the Town do result in environmental impacts due to the use of print materials, signage, equipment, electricity and other related inputs. In all instances, staff

attempt to source and use recycled and sustainable materials. In addition, greater emphasis has been placed on utilizing the Town website and online presence as a means to reduce printed materials.

G. Financial Impacts

Costs associated with communications and advertising activities are included in the 2024 Town Budget or are included within project-specific budgets.

Policy

POL.COR.07.03

Provision of Notice and Manner of Giving Notice to the Public

Policy Type:	Corporate Policy (Approved by Council)
Date Approved:	January 28, 2008
Department:	Administration
Staff Report:	A.07.34
By-Law No.:	2008-09

Policy Statement

The Town of The Blue Mountains will ensure transparent and effective communications between the Town and its residents, businesses, and stakeholders. As per Section 270(1)(4) of the *Municipal Act, 2001*, the Policy aims to establish clear guidelines and procedures for providing timely and accessible notices regarding Town business. The Notice Policy will facilitate transparent, inclusive, and proactive communication, allowing the Town to inform, engage, and involve its stakeholders in the decisions that affect the Town.

Purpose

As required by Section 270 of the *Municipal Act, 2001*, the Town of The Blue Mountains shall adopt and maintain a policy with respect to the circumstances in which the Town shall provide notice to the public, and if notice is to be provided, the form, manner and times notice shall be given.

The Policy includes procedures for providing formal Public Notice as related to Section 270 of the *Municipal Act, 2001*, and for general Public Notice as related to the Town's commitment to proactive public engagement.

In addition, this Policy is intended to ensure that Public Notice is provided based on the following principles:

- a) Residents and stakeholders should be aware what, when and where the business of the Municipality is being discussed;
- b) Residents and stakeholders should be aware when the business being discussed will have an impact on them; and

Provision of Notice and Manner of Giving Notice to the Public

- c) Residents and stakeholders should have adequate time to submit or provide written/verbal comments and/or deputation materials.

Application

1. This Policy applies to the actions or decisions to be undertaken or made by the Town of The Blue Mountains, including all actions requiring Public Notice undertaken or made by Town Council, Town Staff, Committees of Council and Local Boards as defined in subsection 269.1 of the *Municipal Act, 2001*, all collectively called the “Town” or “Municipality”, for the purpose of providing accountability and transparency in the Town’s decision-making process and its actions.
2. This Policy applies to matters outlined within this Policy unless:
 - a) The Act or any other legislation requires Notice to be provided otherwise, in which case Notice will be provided as prescribed by that legislation;
 - b) Council directs that some other form and manner of Notice is to be provided, in which case Notice shall be provided as directed by Council resolution
3. The form, manner and Notice Period as outlined in this Policy shall be considered to be the minimum requirement.
4. Notice provided on the Town Website under this Policy shall be considered sufficient Notice even if the website is not accessible at all times during the Notice Period.
5. Unless otherwise prescribed, where Notice is to be provided to an individual, an agency or other level of government by regular mail, Notice will be considered to be given seven days from the date of mailing.
6. Nothing in this Policy shall prevent the use of more extensive methods of Notice or for providing for a longer Notice Period.
7. Where provisions of this Policy may conflict with provisions of another policy or by-law this Policy shall prevail.
8. Exclusive use of any form of Social Media shall not constitute Public Notice for the purposes of meeting the requirements of this Policy.
9. Where a Public Information Centre is held at the direction of Council or Town Staff, the minimum Notice Period shall be 14 days and advertised following the manners outlined in Class 2 – Defined or Specific Items/Issues.
10. If there are no newspapers that meet the definition of a newspaper as defined within the Legislation Act, 2006 s. 87, then the Town shall, at the discretion of the Town Clerk,

Provision of Notice and Manner of Giving Notice to the Public

advertise the matter in a newspaper that does not meet the definition but has general circulation within the Municipality.

11. Planning and Development projects within the Municipality must meet the minimum requirements of the *Planning Act* and other applicable legislation. For matters related to planning and development projects that are outside of the public notice requirements of the *Planning Act* or other applicable legislation, the notice requirements of Class 2 – Defined or Specific Items/Issues of this policy shall be followed.
12. This Policy is not intended to apply to standalone operational notices or other matters of Town business that are deemed at the direction of the Communications Department, to not reach the threshold of requiring formal public notice. Examples may include but are not limited to: Notice of Town Hall Closures for Public Holidays, Seasonal Facility Closures, Community Improvement Plan Applications, Bid Advertising, Volunteer Recognition Award Nominations, etc. In these instances, a topic specific communication plan is created and implemented by the Town’s Communications Department to suit the nature and intent of the matter in keeping with the standards and principles of the Town’s Communications Strategy.

Procedures

General Guidelines

- a) all references to days are calendar days, not business days;
- b) direct delivery includes hand delivery, facsimile and email; and
- c) notice can be provided through multiple channels such as notice on website, newspapers, radio, television, direct mailing, and location signage.

In all instances when issuing a Public Notice, the Town should strive to meet the following guidelines:

- Ensure that Public Notice be provided as soon as possible;
- Ensure that the Public Notice be distributed to the broadest possible audience or the appropriate specific audience that is impacted;

Provision of Notice and Manner of Giving Notice to the Public

- Ensure that Public Notice is provided in a variety of manners;
- Ensure that Public Notice is provided using easy to understand plain language with the focus of being open, inclusive and respectful to all residents and stakeholders;

Emergency Provision

If a matter or situation arises that, in the opinion of the Chief Administrative Officer or designate, is considered to be of an urgent or time sensitive nature, or could affect the health and well-being of the residents of the Town, or if a state of emergency is declared, or is so directed by a Provincial Ministry, the notice provisions may be waived and best efforts should be made to provide as much notice as is reasonable under the circumstances.

In the event that Public Notice has not been provided in accordance with this policy, the omission of such notice shall not invalidate any actions taken. In the case of an omission, the Town will provide Public Notice through all appropriate channels as soon as possible.

The Town shall not be held responsible for any failure to provide Public Notice if such failure is caused by factors beyond its control, including but not limited to power outages, electronic communication failures, Acts of God, or emergency situations.

Public Notice Format

Public Notice provided under this Policy shall be issued on the approved Town branded template and include the following information (as applicable):

- a) A general description of the matter or summary of the Notice;
- b) Where the matter relates to a defined location, sufficient particulars of the location (i.e., municipal address, legal description, key map, etc.);
- c) The date, time and location of the meeting at which the matter will be discussed;
- d) The purpose of the meeting for which the Public Notice is required;
- e) If applicable, appeal rights under the *Planning Act*, or any other legislation;
- f) Identification of the authority under which the Public Notice is being given;
- g) Instructions, including contact information for submitting written comments and deadline for the same and meeting details where public input is permitted;
- h) Contact information for obtaining additional information/clarification;
- i) Contact information for obtaining the notice in an accessible manner;

Provision of Notice and Manner of Giving Notice to the Public

- j) Any additional information deemed appropriate or required.

A standard public notice template will be maintained by the Communications Department to ensure consistency when sharing information with residents and stakeholders.

Principles of the Communications Strategy

The Town's Communications Strategy is intended to be used a resource to support the minimum notification activities and actions as required under this Public Notice Policy.

The Communications Strategy encourages a commitment to engaging and listening to all residents and stakeholders, including full-time, part-time, seasonal, rural and urban, through a respectful, informed and ongoing dialogue. The strategy references that in all instances the Town should endeavour to use a number of communication tools and platforms to meet the diverse needs of residents and stakeholders. The list of tools currently being employed includes but is not limited to:

- Newspaper Advertisements
- Email and Print Newsletters
- Municipal Information Guide
- TV Screens
- Tax Bill Newsletter
- Direct Mail
- Digital Advertising
- Hand Delivered Notices
- Press Releases Roadside Signage
- Town Hall Meetings
- Town Website
- Public Information Centres
- Public Meetings
- Social Media
- Surveys and Polls
- Focus Groups and Workshops

Notice Categories

Four notice categories have been established to help group common aspects of Town business and operations. A summary of each class and relevant examples are included in the following chart.

It is important to note that the chart outlines the **minimum** notification requirements related to each Class. In all instances, every project and communications activity will be supported by the Town's Communications Department. Following the principles of the Communications Strategy, all communication efforts will include a varied use of communication tools including online and traditional methods and will strive to maximize public reach and engagement as appropriate.

- matters related to planning and development projects.

A minimum of 14 days notice is required utilizing the following methods:

- Direct delivery or prepaid mail to affected parties, that may include, but are not limited to affected land owners/occupants, abutting land owners/occupants, license holders, stakeholders;
- Posting of notice on the Town's website;
- Notice provided to any area municipality that would be affected;
- At the discretion of the Department Director, advertised in newspaper that meets the definition of a newspaper as defined within the Legislation Act, 2006 s. 87; and
- At the discretion of the Department Director, signage shall be posted on or near the affected property using an approved Town branded template.

*Despite the specific focus of this class, there may be cases where broad general notice may be suitable and/or required; therefore, discretion and consultation with the Communications Department is required.

Class 3 – Broad Community Items/Issues

Class 3 refers to notice related to Town business that has an impact on the broader community.

Provision of Notice and Manner of Giving Notice to the Public

The notice provided within this class shall be provided to reach a broad audience and allow for sufficient time for the public to respond to these major items/issues. Refer to Class 4 for matters in which there is a legislative requirement to hold a Public Meeting.

At the direction of Council or Town Staff, a Public Information Centre may be held to receive public input on matters related to this class. For details regarding Public Information Centres, refer to the Application section of this document.

Examples related to this class include but are not be limited to:

- The creation, revisions and/or updates to all strategic plans and master plans; and
- Broad public surveys with general interest topics.

A minimum of 21 days notice is required utilizing the following methods:

- Notice shall be posted to the Town website through the form of a press release;
- A dedicated project webpage shall be created on the Town website;
- Information related to the project shall be promoted on Town's social media accounts and included in the monthly e-newsletter;
- Notice shall be advertised in newspaper(s) that meets the definition of a newspaper as defined within the Legislation Act, 2006 s. 87.; and
- At the discretion of the Department Director, signage shall be posted on or near the affected property or area using an approved Town branded template.

In addition to the required communication activities listed above, specific communication campaigns will be developed by the Communications Department in consultation with the Department Director and/or project lead for all matters within this class. The communication campaigns will follow the principles of the Town's Communications Strategy and endeavour to use a mix and variety of communication tools including online and traditional methods and will strive to maximize public reach and engagement as appropriate.

Class 4 – Public Meetings

Class 4 refers specifically to notice for matters in which there is a legislative requirement to hold a Public Meeting.

If the Public Meeting is held as a legislative requirement, then the provisions of the legislation shall be followed. If the Public Meeting is non-legislative and held at the direction of Town Council or staff, then the notice requirements of this class shall be followed.

Provision of Notice and Manner of Giving Notice to the Public

The issues associated with this class may have a significant impact on the broader community. Notice shall be provided to reach a broad audience and allow for sufficient time for the public to respond to these major issues.

At the direction of Council or Town Staff, a Public Information Centre may be held to receive public input on matters in advance of the Public Meeting. For details regarding Public Information Centres, refer to the Application section of this document.

Notice provisions will apply to the following:

- consulting with the public on the development of new and amending Council policies under the *Municipal Act*;
- consulting with the public on the development of new regulatory by-laws and amendments to those regulatory by-laws that affect general population i.e. amendment to pesticide or smoking by-laws;
- amendments to procedural by-law;
- proposed changes to governance structure (e.g. change of municipality name, change in size of Council);
- approval of fees and charges by-law;
- sale of land containing buildings or the sale of land where a building permit could be acquired; and
- approval of the budget and any amendments resulting in an adjustment to the levy.

A minimum of 21 days notice is required utilizing the following methods:

- The Notice of Public Meeting shall be affixed to the “Town Information” bulletin board located in the public lobby at the Town of The Blue Mountains Town Hall;
- The Notice of Public Meeting shall be posted to the Town website; and
- The Notice of Public Meeting shall be direct mailed to those that requested to be notified and to neighbouring properties as required by the Planning Act and any other Legislation, Act or Regulation;
- The Notice of Public Meeting shall be advertised in newspaper(s) that meets the definition of a newspaper as defined within the Legislation Act, 2006 s. 87; and
- At the discretion of the Department Director, signage shall be posted on or near the affected property using an approved Town branded template, with signage updated following the Public Meeting stating when the meeting was held.

Exclusions

1. Class Environmental Assessment Process under the *Environmental Assessment Act, R.S.O. 1990, Chapter E.18*

The Class Environmental Assessment process is not included in this Policy. The requirements for notice under the Environmental Assessment Act will be followed as it relates to most major road, water and sewer construction projects.
