Between 2019 and 2022, the Town of The Blue Mountains completed three separate wastewater servicing extension projects. In accordance with Town policy, the majority of the costs of municipal servicing is recovered from benefitting property owners. With all costs now finalized, staff are recommending that the process to levy the wastewater capital charges on the benefitting property owners on Drake's Path, Birch View Trail and Price's Development.

Letters were sent via email on November 28, 2024 to all benefitting owners to inform them of the proposed payment options. Staff Reports and draft by-laws including the details of the proposed payment options were presented at the December 9, 2024 meeting of Committee of the Whole. These Staff Reports are available for review on the Town's dedicated project web pages listed below. The Town is now holding a Public Information Centre to provide additional information to benefitting property owners.
