Attachment 1: Revisions to the Final Draft Transportation Master Plan as Presented to November 1, 2022 Committee of the Whole

Section 12.3, page 199	Additional sentence in first paragraph	N/A	It is recognized that securing \$14M to fully implement the TMP recommendations is particularly challenging for a municipality the size of The Town of The Blue Mountains. For this reason, a long-term implementation strategy focusing on the more critical projects in the short and medium term has been developed.
