

The Corporation of the Township of Georgian Bluffs

November 7, 2022

Dear Honoured Leaders and Community Representatives,

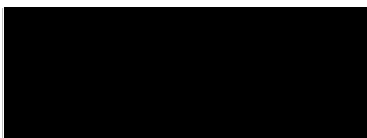

First allow me to congratulate you on your election to public office in your respective communities. It is a true honour to be entrusted to lead our communities into the 2022-2026 Council term, and beyond.

In moving into the new term, I'd like formally to extend an invitation to you and your respective Councils to identify opportunities for collaboration with the Township of Georgian Bluffs, as we work towards collective communication throughout the Grey and Bruce Counties. With the continued strain on resources and pressures to do "more with less", we can all benefit from working together and leaning on our mutual resources to help better our home communities and the Grey-Bruce region as a whole.

A major priority in this new term will be to improve our Township's relationships and collaboration with our neighbours and local municipal Councils. We hope to extend this sentiment and open lines of communications to you and your newly formed Council.

The Inaugural meeting of the 2022-2026 Township of Georgian Bluffs Council will be held on November 16, 2022 at 5:00 p.m., in Council Chambers located at 177964 Grey Road 18. If you are able to attend, I invite you to do so. Otherwise, I look forward to working with you and your Councils through the remainder of this term.

Sincerely,

Sue Carleton
Mayor-Elect, 2022-2026 Township of Georgian Bluffs Council
