

# Grey County Farm Safety Association

November 17, 2022

Town of The Blue Mountains  
Box 310  
Thornbury, ON N0H 2P0  
Attention: Mayor & Council

Dear Mayor,

Agriculture remains the #1 industry in Grey County and most of its residents are directly or indirectly involved with some aspect of this important industry. This is what makes an active and enthusiastic Farm Safety Association very important!

Thank you for the donations we have received in the past. Along with our poster contest for grades 1-8, we participated in; the Ag Fair and local fairs, and we handed out safety bags at our fairs. We try to educate the public through brochures, educational tools for children and adults. Once again, the Grey County Farm Safety Association would like to request your organization's support in the form of a donation. Please consider sending a cheque made out to the Grey County Farm Safety Association and help make a difference in rural Grey County.

We have a very dedicated group of individuals on our committee, if not for them we would not be able to organize and attend so many events in our community. Thank you for sending Andrea Matrosovs to assist us on our committee. We are hoping you continue to appoint a municipal representative to assist us and support our organization. We meet bi-monthly at the Grey County Agricultural Services Centre in Markdale. If you wish additional information, please don't hesitate to contact me. We thank you in advance for your continued support.

Sincerely,

Paul McQueen  
*Secretary of Grey County Farm Safety Association*
