Notes

1	Health Card holder by affiliated address
2	# of residents of CSD rostered to a Physician in a CCM, FHG, FHO payment model
3	# of residents enrolled at South East Grey CHC (Markdale or Dundalk location) for primary care services
4	Estimated # of people who do not have a primary care provider = Population - (Rostered + SEGCHC)
5	Average physician roster (outside of CHC) based on data from December 2018
6	# Total Not Rostered/ Average Roster Size

Caveats

The population reflects the number of Health Card Holders in a CSD and may underestimate the true population

Patients enrolled at the SEGCHC may also be rostered to physicians elsewhere resulting in double counting. This may partially explain the negative # for Total not Rostered in Grey Highlands.
