32 Mill St  
Thornbury, ON  
N0H2P0

To Whom It May Concern,

Please accept this letter as application to have the private lands which is a parking lot located at 190 Gord Canning Drive in The Town of Blue Mountains to municipal by law number 2022-49.

This parking lot is a staff parking lot for employees of Blue Mountain Resort. We have implemented a parking pass system for our staff members in this parking lot. There is an ongoing issue in this lot with our guests parking in this lot and there not being spaces available for our staff members.

There is signage at the entrance to this lot referencing that the space is for staff only and we will erect no parking signage in visible locations throughout the lot.

It is our plan that our Security team, who is authorized by The Town Of Blue Mountains to issue enforcement notices, will conduct the enforcement in this lot.

Thank you for your consideration.
