Subject: Request for School Bus Parking

Town Council

My name is Glenn Rylott and I am a school bus driver with Landmark Bus Lines. I am a resident of Thornbury and I drive local area children to the Catholic District schools in Collingwood - St. Mary's Elementary and Our Lady of the Bay High School. For the past three years I have parked at the Beaver Valley Community Centre and the Tomahawk Recreation Complex. I would very much like the opportunity to continue to park my full sized bus at Tomahawk. Other choices would be the Community Centre or even the vacant Township lot which was previously the old Foodland.

The dates required for the upcoming school year would be Tuesday September 5, 2023 to Thursday June 27, 2024. My contact information is as follows:

Glenn Rylott
