Subject: Request for Fee Waiver for Pickleball Courts for Young Life Fundraiser

Dear Members of the Thornbury Town Council,

I am writing to you on behalf of Young Life Collingwood, a non-profit organization dedicated to positively impacting the lives of young people in our community. We have begun organizing an upcoming fundraiser aimed at raising funds to support our various youth programs and activities. In order to make this event a success, we kindly request your support by waiving the fees for the use of the pickleball courts within Thornbury.

Young Life has been running in Canada since 1954 but more recently started up in Collingwood just over 5 years ago. We offer mentorship, guidance, activities and a safe place for teens to learn, grow and develop healthy relationships. Our programs also foster leadership development. It has been a joy to witness the lives that have been changed and improved over the short 5 years working in the Collingwood area.

The fundraiser we are planning is not only an opportunity to raise funds but also to bring our community together. We envision a weekend of fun-filled pickleball matches that will encourage participation from people of all ages and skill levels. By waiving the fees for the pickleball courts, you will play an integral role in ensuring the success of our event and consequently, the continued success of Young Life's initiatives.

We genuinely appreciate your consideration of our request.

Please feel free to contact me at [REDACTED] or [REDACTED] for any further information to discuss any aspect of our request.

Sincerely,

Roxanne Shaw
Committee Chair, Young Life Collingwood
