

Georgian Bay Appplekings

Deputation to
Committee of the Whole

@applekingshockey 

Introduction to our Team

The Georgian Bay Applekings are a new Senior AA Hockey team that will be playing in the re-formed OHA Senior AA League now called the Ontario Elite Hockey League (OEHL). The league is formed of 12 teams that used to be a part of the WOAA Senior Hockey League and two additional expansion teams. We will be playing right here in Thornbury at the Beaver Valley Community Centre on Saturday Nights at 5:30 PM. Our players will consist of ex-professional, ex-OHL and other junior level players. The majority of our players are living within the Highway 26 stretch between Owen Sound and Collingwood.

Our Vision And Mission

Vision

To have Saturday evening at the Beaver Valley Community Centre be a weekly hot spot for the Community to attend for all!.

To create a passionate fan base and support centre in the Town of the Blue Mountains that helps us support the community.

Mission

Youth Hockey Initiative

The Georgian Bay Applekings will launch a youth hockey fund in June 2024 for The Town of the Blue Mountains and nearby areas. Throughout the season, funds will be set aside as seed money. This initiative aids local parents with kids aged 4-17, covering hockey expenses like registration, gear, and travel.

The fund's goal is to foster hockey participation among local youth, leveraging the sport's character-building and camaraderie aspects. Coupled with the team's return to Thornbury, the fund aims to inspire more kids to embrace hockey. Starting June 2024, we're excited to provide vital hockey support to those in need.

Game Information

**Home Game Times: Saturdays @ 5:30 PM (12+Playoffs).
48 Total hours of ice time in regular season.**

**Teaming with Thornbury Rotary, Thornbury Kinettes
and GSMHA for game day operations.**

Our Request

30% off of rental costs for the first two years of operations as we have a lot of start-up costs.

This will help us get off the ground with the hopes of staying within the community for the foreseeable future.

Thank You
