Subject: Re: Licensing By-law and Administrative Monetary Penalties By-law - February 1, 2021

Corrina:

Please include this comment as correspondence regarding the above mentioned report for the COW on Feb 1.

With the significant number of changes recommended in this report, the STA committee of the Blue Mountain Ratepayers Assoc. supports the need for an additional public meeting.

Although progress is evident there is a need to address some shortfalls and the very worrisome proposal regarding unfounded complaints.

Regards, Terry Kellar, Chair STA Committee
