**Subject:** Blue Mountain Resort Event Involving Aircraft Fly Past April 2nd

Hello,

We are hosting the Royal Canadian Air Force Centennial Anniversary Celebration here at Blue on Tues April 2<sup>nd</sup>.

A part of this celebration will be a fly past involving 3 aircraft between the hours of 5pm and 6pm. The altitude of the aircraft will be 500 ft above ground level.

We have been working with a representative from the Canadian Armed Forces who has been copied on this communication.

I have also been speaking with Emily Beauchamp from the TBM By Law office.

Could you please advise of the process for the approval of this request?

Thank you very much for your help.
