How can we help you?

The residents of our small community of seniors request your assistance to have the Town allow parking on the east side of Wards Road North to allow those residents who are disabled and with a valid Ontario Accessibility Parking Permit displayed properly on their dash a one time exemption for this street community's ANNUAL gathering. The hours of exemption would be from 10am to 7pm Saturday June 22nd, 2024.

2024 Street Party Hosts – Contact List As of May 18/24
