

May 21, 2024

Deputation to Town Council:

Request for BVCC Facility Fees be waived for Rotary run/walk event: Thornbury Turkey Trot
October 12th 2024, and set up day of Friday October 11, 2024

Again this year the Rotary Club of Thornbury Clarksburg will be hosting our major charity run/walk event at the Beaver Valley Community Centre. All event permits and approvals are in place. This family friendly Half Marathon, 10k, 5k run/walk and free Kid's run was a huge success last year as we grew the race over 700 participants along with many more family & friends in attendance! We are excited to share our Thanksgiving fall colours event with locals, businesses and visitors alike in 2024!

This event helps to fund the Rotary club's many initiatives as listed below and waiving rental fees helps us to reduce costs which in turn means more support for our community!

Like last year, we respectfully ask for the rental fees for the BVCC for both **Friday Oct 11 (set up day) and Saturday Oct 12 (event day) be waived.**
