Property Location: 176 Blueski George Crescent

Public Meeting: July 17, 2024 at 1:00pm  
Virtual Hearing via Microsoft

### What is being proposed?

The purpose of this application is to request permission for the expansion of a non-conforming structure to permit:

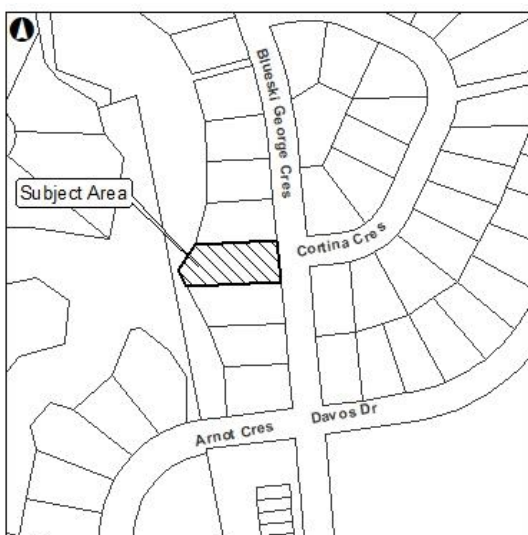

1. An existing 108 square metre structure within the Hazard zone to be expanded to 127.3 square metres.

The application also requests a minor variance to Section 8.1 of the Zoning By-law to permit:

1. An approximately 15.6 square metre open-air pergola to be located within the Hazard zone.

The effect of this application is to permit the replacement of an existing pool house with a new, larger pergola structure and to permit the construction of a new open-air pergola. The existing pool house is proposed to be removed to facilitate the construction of the new structure.

The legal description of the subject lands is Plan 1124 Lot 5.
