D. Analysis

The request from the Young Life Collingwood group is a similar request to 2023 request for the waive of fees. Staff feel that for consistency, a 50% waive of fees in the amount of \$442.50 plus applicable taxes, similar to 2023.

Staff feel this is a great opportunity to provide access to active living opportunities for the participants within the Collingwood community and surrounding areas. At the time of preparing the staff report, Young Life Collingwood could not provide detailed registration numbers noting the area at which participants resided.

The Youth Life Collingwood group utilize this event to raise funds for youth programming in Collingwood and surrounding areas.
