Details of the Deputation:

Young Life Collingwood is a faith-based non-profit organization dedicated to mentoring and supporting local teens.

Young Life Collingwood provides a safe and engaging environment for teens, offering weekly clubs, camps, and mentorship programs that foster personal growth, leadership skills, and a sense of community. Our mission is to positively impact the lives of teens in South Georgian Bay, guiding them through their high school careers and serving as trusted mentors during these formative years.

This September 14-15, 2024, we are hosting our second annual Pickleball Tournament Fundraiser in Thornbury, Ontario. During the weekend, we will feature silent auction and raffle prizes. The proceeds from this event will directly benefit Young Life Collingwood's youth programs.

We are requesting that the Council consider waiving the fees for the use of the pickleball courts. This support will be instrumental in maximizing our fundraising efforts, thereby ensuring the success of our event and the continued success of Young Life Collingwood's initiatives.

Thank you for considering our request and for your support of the South Georgian Bay community.
