Dear Mayor Matrosovs and Council,

Blue Mountain Resort LP is requesting that Council of the Town of The Blue Mountains declares the “New Years Eve Party” being held at the “Jozo’s Bar” at Blue Mountain Resort on Tuesday, December 31, 2024, from 10:00pm to 1:00am, to be of Municipal Significance. This request is being made as a requirement of the Alcohol and Gaming Commission, Special Occasion Permit, a permit which allows us to host an event in an area which is not yet licensed sufficiently for the expected number of attendees.

This event creates working hours for Full time employees, for set up and tear down of the event, food preparation of menu items prior to the event and Cooks, Supervisors and Serving staff during the event.

According to the AGCO this event should meet one (or More) of the following criteria;

1. Has local, regional, national or international historical or cultural significance;
2. Builds awareness of diverse cultures; OR
3. Benefits the community at large

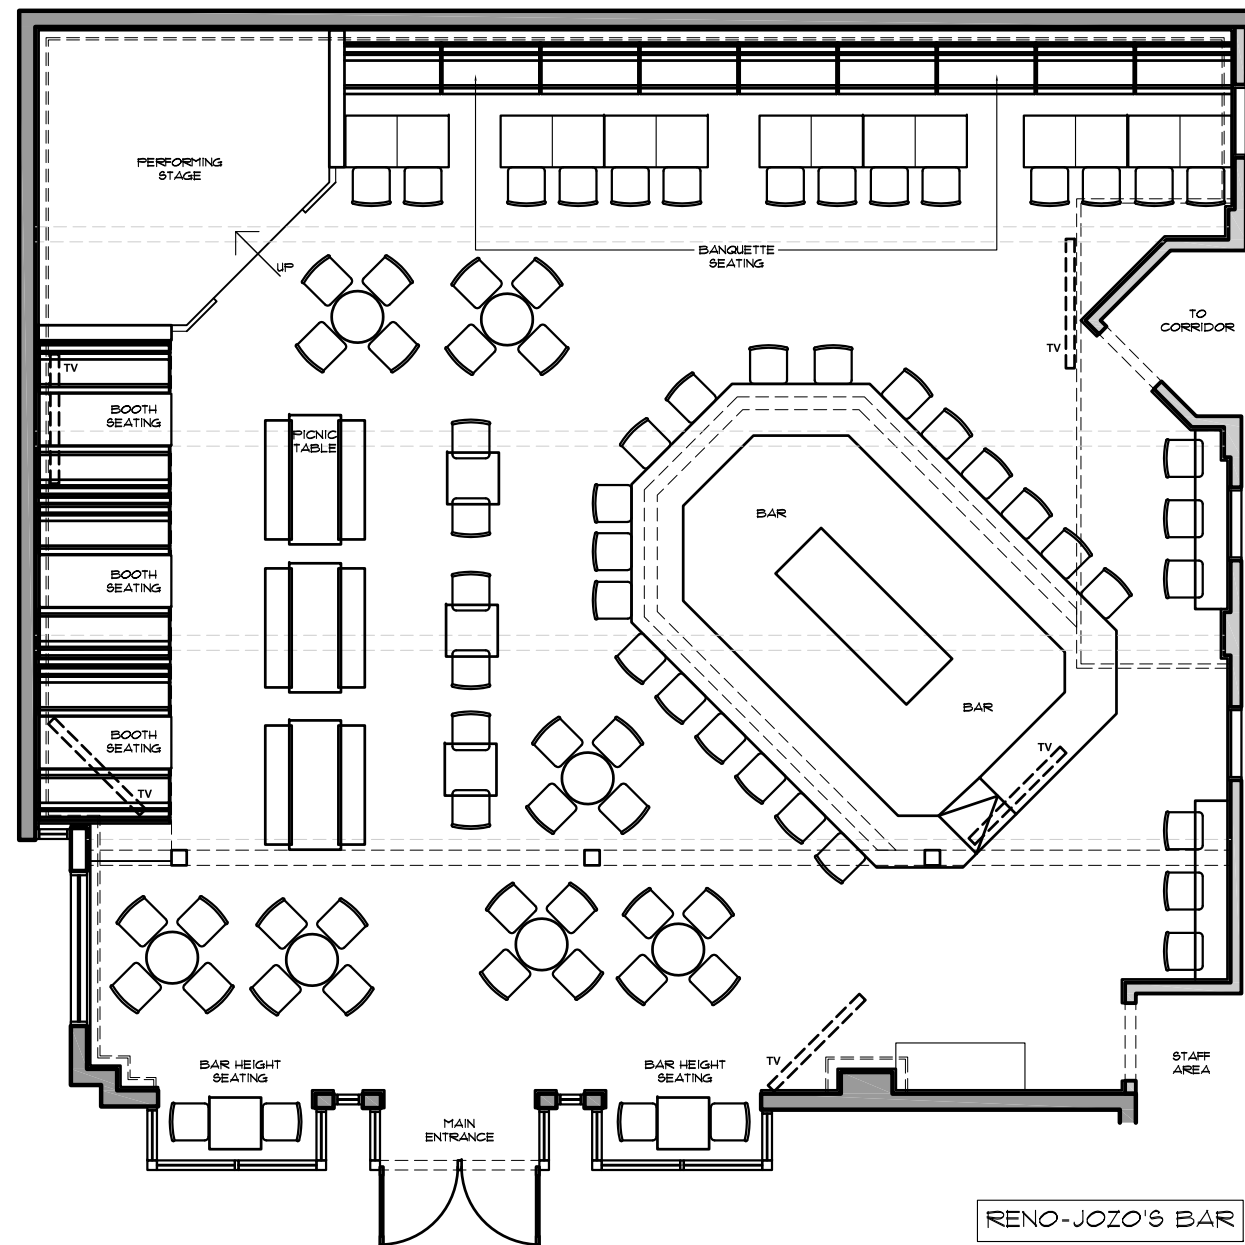

This is a ticketed event, and historically has sold out each year that we have done it. Our hope is that with this SOP we can make another 20 tickets available to the public so more people can enjoy the party. We are setting our maximum capacity at 160 people, and we are expected to sell out.

This event will also benefit the community at large as it creates working opportunities to our local community, on our own staffing, as well as local businesses.

I would like to thank you in advance for your consideration,

Tiffany McPhatter
Food & Beverage Director
