

Town Clerk  
The Town of the Blue Mountains  
32 Mill Street, Box 310  
Thornbury, ON N0H2P0

December 5, 2024

---

Dear Clerk,

On behalf of Rogers Communications Inc., I am writing to inform you that we have informed the Town's planning department that we are withdrawing our application for tower C9793. We appreciate all of the time that the Town has taken on this file and the feedback that we have received from staff.

We are withdrawing this application to allow Rogers the opportunity to re-evaluate its approach to providing coverage in The Town of the Blue Mountains. Our team is committed to ensuring that should any future proposals be brought forward; they will be carefully aligned with both the community's needs and the relevant protocol expectations.

Given this, we would respectfully request that [Staff Report PDS.24.136](#), which is scheduled to be presented to the Committee of the Whole on Tuesday, December 10, 2024, also be withdrawn. As we are no longer proceeding with the current proposal for that site, we do not feel it is necessary for the Committee of the Whole to have a vote on it.

Thank you for considering this ask; we would be pleased to discuss should you have any questions.

Sincerely,

  
Chennette de Gannes  
Municipal Relations Specialist  
Rogers Communications Inc.
