Subject: Amendment to the Approval of July 20th and Request Approval for July 27th 2025
Attachments: Noise By-law Exemption Request - Charity Change of Date 2025.docx

Hello Corrina,

We have very recently learned that our charity Vinestock Music Festival, to be held on Sunday July 20th, is in conflict with the Collingwood Country Music Festival being held on the same weekend.

On behalf of Georgian Hills Vineyards, we acknowledge the March 10, 2025 Council resolution, granting relief from the provisions from the Noise By-law with the approved dates attached, and respectfully request an amendment to the approval for the July 20, 2025 Charity function, and now request that Council approve relief from the noise bylaw for the Charity event on Sunday, July 27, 2025.

As this request is time sensitive for event planning purposes, we ask that you include this letter on the May 12, 2025 Council Agenda, for Council consideration to pass a motion authorizing the amendment to the date, and direct staff to correspond with neighbours to provide notice of the change in the date.

We apologies for any inconvenience this may cause and very much appreciate your assistance.

Thank you.

Best regards.

Robert
