AMENDING DECISION DELIVERED BY J. E. SNIEZEK AND ORDER OF THE BOARD

The Board amends the Decision/Order issued on June 22, 2012 by:

- a) Replacing the references to Schedule C on page two with Schedule D in regards to the draft plan of subdivision and draft plan of condominium; and
- b) by adding the following:

THE BOARD ORDERS upon consent of the parties and pursuant to subsection 51(56.1) of the *Planning Act*, the County of Grey shall have the authority to clear the conditions of draft plan approval and to administer final approval of the plan of subdivision for the purposes of 51(58) of the Act. In the event there are any difficulties implementing any of the conditions of draft plan approval, or if any changes are required to be made to the draft plan, the Board may be spoken to.

In all other respects, the Decision/Order issued on June 22, 2012 remains unchanged.

**MEMORANDUM OF ORAL DECISION DELIVERED BY J. E. SNIEZEK
ON MAY 17, 2012 AND ORDER OF THE BOARD**

The Board was presented with Minutes of Settlement (Exhibit 2) that permit a sixteen lot subdivision and a common elements condominium with conditions of approval. The Board heard evidence in support from Andrew Pascuzzo, consulting planner retained by the appellant, 960121 Ontario Inc. and David Cunningham a consulting ecologist and botanist retained by the appellant. The Board also had an affidavit from the County of Grey's planner Randy Scherzer in support of the Minutes of Settlement.

The Board heard evidence from Andrew Sorensen, Judy Rhodes-Munk, Donald Kerr and Howard Macdonald with respect to the setback from the Provincially Significant Wetland (PSW) and the flooding that has occurred in the area in the past.

The Board is satisfied that the 10m that was confirmed by the Town of Blue Mountains' peer reviewer Linda Sober is sufficient in that the Board was provided with no conclusive scientific evidence from either Mr. Sorensen or Ms. Rhodes-Munk that contradicted this opinion. Mr. Cunningham confirmed the peer reviewer's opinion that no net negative impact would result from the development and that the wetland area would be separated from the lots by fencing and additional landscaping.

THE BOARD ORDERS that the Zoning By-law 83-40 be amended in accordance Schedule A of the Minutes of Settlement and the Clerk of the Municipality will assign an appropriate number to the by-law.

AND THE BOARD ORDERS that the draft plan of subdivision is approved as contained in Schedule B subject to the conditions contained in Schedule C to the Minutes of Settlement.

AND THE BOARD ORDERS that the draft plan of condominium is approved subject to the conditions contained in Schedule C of the Minutes of Settlement.

MINUTES OF SETTLEMENT

Dated: May 16th, 2012

BETWEEN:

**The Corporation of the County of Grey
(herein called the "County")**

AND

**The Corporation of the Town of The Blue Mountains
(herein called the "Town")**

AND

**960121 Ontario Inc.
(herein called "Havens")**

Minutes of Settlement – 960121 Ontario Inc. (Havens)

WHEREAS Havens has appealed to the Ontario Municipal Board (the "OMB") its application to amend the Town's Zoning Bylaw and has appealed to the OMB its applications for approval of a plan of subdivision and approval of a plan condominium (the "Appeals");

AND WHEREAS a portion of Haven's land is designated Recreation/Residential RR-50 within the Town's Official Plan which identifies an area that can proceed with development;

AND WHEREAS the Town's Official Plan indicates that 1.24 hectares are designated "Recreational Residential". Schedule B of Exception 50 of the Official Plan permits nineteen (19) units on the subject lands. This development can proceed in compliance with the "Recreational Residential RR-50' designation without an amendment to the Official Plan;

AND WHEREAS the Town's Zoning Bylaw indicates that the subject lands are zoned "Deferred Development (DD)";

AND WHEREAS the Parties hereto have an interest in this matter and wish to set out in Minutes of Settlement the manner in which the Appeals can be resolved and their respective interests satisfied;

NOW THEREFORE in consideration of the sum of Two (\$2.00) Dollars paid by each of the parties to the other, the receipt and adequacy of which is hereby acknowledged and the resolution of all matters relating to the Appeals, the Parties covenant and agree as follows:

1. The Parties agree that the recitals herein are true and accurate and form part of these Minutes of Settlement.
2. In these Minutes of Settlement, including the recitals, "Parties" means The County, The Town and Havens.
3. The attached Schedules "A", "B", "C", "D" and "E" form an integral part of these Minutes of Settlement and are binding upon the Parties.
4. The Zoning By-law shall be amended in the form found in Schedule "A" to these Minutes of Settlement.
5. The Draft Plan of Subdivision prepared by D.C. Slade Consultants Inc. dated January 9, 2012 (Drawing 554-05-DP8), the Common Element Condominium Plan prepared by D.C. Slade Consultants Inc. January 9, 2012 (Drawing 554-05-CEC8) and the Conditions for Draft Plan of Condominium and Draft Plan of Subdivision 42-CDM-2008-10A and 42T-2008-10B are found in Schedule "B", "C" and "D" respectively to these Minutes of Settlement. The Draft Plan of Subdivision, the Common Element Condominium Plan and their Conditions are satisfactory to all parties.

6. The Parties agree to jointly recommend to the OMB approval of these Minutes of Settlement, and that the OMB dismiss the Appeals.
7. No Party will seek costs in these proceedings.
8. The Planner for the County has provided a planning opinion (in affidavit form), attached as Schedule "E", to the OMB confirming these Minutes of Settlement are in conformity with the relevant planning documents, consistent with the Provincial Policy Statement and good planning principles. The same will also be provided orally if so requested by the OMB.
9. Subject to compliance with all provisions of these Minutes of Settlement, the Parties request the OMB to approve these Minutes of Settlement, to ~~dismiss~~ the Appeals and to approve the Zoning By-law Amendment, the Draft Plan of Subdivision, the Common Elements Condominium Plan and the Conditions as set out in Schedules "A", "B", "C" and "D" respectively.
10. Subject to the Board approving the Minutes of Settlement, Havens agrees to withdraw its appeals to the Town's Official Plan Amendment No. 20 and Zoning By-law No. 2010-47 related to the Terrasan lands (OMB File Nos. PL101270 and PL100845).
11. These Minutes of Settlement may be signed in counterparts.

Mr. Grant DeWitt

These Minutes of Settlement shall ensure to the benefit of and be binding upon the Parties and their respective successors and assigns.

IN WITNESS WHEREOF the Parties have executed these Minutes of Settlement by the County, the Town, and Havens by the hands of their respective officers duly authorized in that behalf.

SCHEDULE "D"
CONDITIONS

**Conditions for Draft Plan of Condominium and Draft Plan of Subdivision
42CDM-2008-10(A) and 42T-2008-10(B)**

This approval applies to the Draft Plan of Subdivision prepared by D.C. Slade Consultants Inc., DWG: 554-05-DP8, dated January 9, 2012, and a Draft Plan of Condominium prepared by D.C. Slade Consultants Inc., DWG: 554-05-CEC8, dated January 9, 2012, providing for sixteen (16) Lots, one Block for stormwater management purposes (Block 18), one Block for servicing corridor (Block 19), one Block for private road (Block 20), one Block for PSW setback/buffer (Block 21) and 2 Blocks for 0.3 metre reserves (Blocks 22 and 23) on Part Lot 89, Plan 5129, Lot 21, Concession 1 in the Town of The Blue Mountains. Blocks 18, 19 and 20 are proposed common element condominium blocks which comprise the private road, the servicing corridor and the stormwater management facility.

The draft plan conditions have been listed under the following general headings:

- A. General Planning Requirements
- B. Servicing, Grading and Road Requirements
- C. Landscape, Fencing and Streetscape Requirements
- D. Park and Open Space Requirements
- E. Miscellaneous Requirements

A. General Planning Requirements

1. A Subdivision Agreement shall be entered into and executed by the owner and the Town of The Blue Mountains (the "Town") to satisfy all financial, legal, and engineering matters, including landscaping and the installation of municipal services, and other requirements of the Town of The Blue Mountains and the County of Grey (the "County"), including the payment of all applicable Town and County development charges in accordance with their applicable Development Charges By-laws.
2. The owner shall support an appropriate amendment to the Zoning By-law to permit the development of these lands in accordance with the Draft Plan of Subdivision including the use of the holding '-h' provision under the *Planning Act*.
3. Prior to registration of the Plan, the Zoning By-law implementing the subject plan shall be approved under Sections 34 and 36 of the *Planning Act*.
4. If final approval is not given to this plan within three years of the draft approval date, and no extensions have been granted, draft approval shall lapse under Subsection 51(32) of the *Planning Act*, RSO 1990, as amended. If the owner wishes to request an extension to draft approval, a written explanation along with the applicable application fee and a resolution from the local municipality must be received.

B. Servicing, Grading and Road Requirements

5. Prior to the initiation of any site grading or servicing and prior to the registration of the Plan, the owner shall submit for the approval of the Town, Grey Sauble Conservation Authority, the County of Grey and the Ministry of Transportation the following:

- a. A detailed engineering and drainage report which describes the stormwater drainage system for the proposed development on the subject lands. The report should include:
 - i. Plans illustrating how the drainage system will tie into the drainage of surrounding properties
 - ii. The stormwater management techniques which may be required to control minor or major flows
 - iii. How external flows will be accommodated and the design capacity of the receiving system
 - iv. Location and description of all outlets and other facilities which may require permits
 - v. Proposed methods for controlling or minimizing erosion and siltation on-site and/or in downstream areas during and after construction

The owner, or his consultant, shall contact the Town Engineering and Public Works Department and the Grey Sauble Conservation Authority prior to preparing the above report to clarify the specific requirements of this development.

Note(s):

Stormwater overland flow routes shall be kept within roads or approved walkways only.

The owner is responsible for making the necessary arrangements for the conveyance of stormwater off-site, if applicable, as well as the costs associated therewith.

- b. Overall grading plans for the subject lands.
- c. Overall servicing and road designs.

6. The owner shall agree in the Subdivision Agreement, in wording acceptable to the Town of The Blue Mountains and the Grey Sauble Conservation Authority, the following:

impacts on the Brophy's Lane and Highway 26 and Long Point Road and Highway 26 intersections.

13. The owner shall agree in the Subdivision Agreement to provide cash-in-lieu of road upgrades including, but not limited to, road reconstruction, curbs, gutters, sidewalks and streetlights, to Brophy's Lane with such cash-in-lieu being reflective of 50% of the estimated cost of such works with the design on which the basis for the cost of the works being in accordance with the Town's Engineering Standards; and, the extent of the works being from the southerly extent of Part 2, Plan 16R-4066 (known municipally as 121 Brophy's Lane) to the north of the proposed intersection of Brophy's Lane and Block 20.
14. The horizontal and vertical alignments of all roads and underground services including their intersection geometrics shall be designed to the Town of The Blue Mountains Engineering Standards. In this regard, minor revisions to the road pattern and intersection alignments may be required
15. The street lighting system on all roadways for this subdivision shall be designed and constructed in accordance with the Town of The Blue Mountains Engineering Standards or as otherwise approved by Town.
16. Prior to the approval of the drawings referenced in clause 5, arrangements shall be made to the satisfaction of the Town for a suitable construction traffic route.

C. Landscape, Fencing and Streetscape Requirements

17. Prior to the registration of the Plan, the applicant shall complete a Landscape Analysis, Landscape Plan and Tree Preservation Plan to the satisfaction of the Town, Grey Sauble Conservation Authority and the Niagara Escarpment Commission. The Landscape Plan and Tree Preservation Plan shall be consistent with the Grading and Drainage Plans and include provision for the "naturalization" of the stormwater management facility so to provide an enhanced wildlife function. Further, the owner shall agree in the Subdivision Agreement to save and/or remove any trees and vegetation on the subject lands as required by the Tree Preservation Plan.

The injury or destruction of trees related to this development, as approved in the Tree Preservation Plan, are exempt from the requirements of the County of Grey's Forest Management By-law as per Section 4(d) of the By-law.

18. The owner shall agree to include in the Subdivision Agreement a statement indicating that Blocks 17 and 21 consist of a provincially significant wetland and/or wetland buffer areas and that no development or site alteration shall occur within the areas so designated from time to time that may adversely impact the provincially significant wetland and/or wetland buffer except for works so authorized by the Town.

19. The owner shall agree within the Subdivision Agreement to provide a 5 metre wide planting enhancement within the 10 metre wetland buffer area so as to provide mitigation measures and to separate and maintain wildlife functions to the satisfaction of the Town and the Grey Sauble Conservation Authority.
20. The owner shall agree within the Subdivision Agreement to provide a 5.0 metre planting enhancement within the easterly 5.0 metres of Draft Lots 6 and 7 to the satisfaction of the Town and the Grey Sauble Conservation Authority.
21. The owner shall agree within the Subdivision Agreement to provide warning clauses within future purchase and sale agreements related to the sensitivity and related preservation of the provincially significant wetland and wetland buffers and to develop, produce and disseminate a Natural Heritage Stewardship Brochure to future lot owners to the satisfaction of the Town and the Grey Sauble Conservation Authority.

D. Park and Open Space Requirements

22. The owner shall agree within the Subdivision Agreement that Draft Block 17 shall be conveyed to the Town at no cost to the Town. In this regard, the applicant shall also agree that Block 17 shall not be credited as parkland for the purpose of determining the parkland requirements for the subject plan.
23. The owner shall agree within the Subdivision Agreement that Draft Block 21 shall be conveyed to the Town at no cost to the Town at a time to be determined by the Town.
24. The owner shall pay cash-in-lieu for parkland as required in accordance with the *Planning Act*.

E. Miscellaneous Requirements

25. The owner shall agree within the Subdivision Agreement to make a financial contribution of \$65,000.00 to the Town for cash-in-lieu of Shoreline Dedication in accordance with the increased density requirements of the Official Plan.
26. The owner shall agree within the Subdivision Agreement to make a financial contribution of \$26,000.00 to the Town for cash-in-lieu of recreational lands and/or facilities in accordance with the increased density requirements of the Official Plan.
27. The owner shall grant all necessary easements for drainage, utility and servicing purposes, as may be required, to the appropriate agency or public authority
28. The internal private road shall be named to the satisfaction of the Town.

29. The owner shall make satisfactory arrangements with Canada Post and the Town's Engineering and Public Works department, for the installation of Canada Post Community Mailboxes and shall indicate these locations on the appropriate servicing plans. The owner shall further provide the following for the Community Mailboxes:
- a. An appropriately sized sidewalk section (concrete pad), per Canada Post standards, to place the mailbox on, plus any required walkway access and/or curb depressions for wheelchair access.
 - b. A suitable temporary Community Mailbox location which may be utilized by Canada Post until the curbs, sidewalks and final grading have been completed at the permanent Community Mailbox Site locations to enable Canada Post to provide mail service to new residences as soon as homes are occupied.
30. That prior to any site alteration, a Stage 1 Archaeological Assessment, and any subsequent stage assessments as required, must be completed to the satisfaction of the Town and the County. A letter must be obtained by the Ministry of Culture indicating whether or not they support the recommendations contained in the Assessment report. A copy of the letter from the Ministry of Culture shall be provided by the owner to the Town and the County of Grey upon receipt.
31. That prior to final approval, the County is advised in writing by the Grey Sauble Conservation Authority that conditions 5, 6, 8, 17, and 19-21 have been met.
32. That prior to final approval, the County is advised in writing by the Niagara Escarpment Commission that condition 17 has been met.
33. That prior to final approval, the County is advised in writing by the Ministry of Transportation that conditions 5 and 12 have been met.
34. That prior to final approval the County is advised in writing by the Town that conditions 1-3, 5-10, 16, 17-30 have been met.
35. That the owner shall submit to the County a digitized copy of the Draft Plan in a format acceptable to the County.

NOTES TO DRAFT APPROVAL

1. It is the applicant's responsibility to fulfil the conditions of draft approval and to ensure that the required clearance letters are forwarded by the appropriate agencies to the County of Grey, quoting the County file number.

2. An electrical distribution line operating at below 50,000 volts might be located within the area affected by this development or abutting this development. Section 186 - Proximity - of the Regulations for Construction Projects in the Occupational Health and Safety Act, requires that no object be brought closer than 3 metres (10 feet) to the energized conductor. It is proponent's responsibility to be aware, and to make all personnel on site aware, that all equipment and personnel must come no closer than the distance specified in the Act. They should also be aware that the electrical conductors can raise and lower without warning, depending on the electrical demand placed on the line. Warning signs should be posted on the wood poles supporting the conductors stating "DANGER - Overhead Electrical Wires" in all locations where personnel and construction vehicles might come in close proximity to the conductors.

3. Development directly adjacent or near a provincial highway system may require permits (access, building and land use, and sign) from the Ministry of Transportation, under The Public Transportation and Highway Improvement Act. Consultation with the Ministry of Transportation, Southwestern Regional Office at 659 Exeter Road, London Ontario N6E 1L3 (519-873-4100) is recommended.

4. Clearances are required from the following:

<p>Town of The Blue Mountains 32 Mill Street Thornbury, ON N0H 2P0</p>	<p>Grey Sauble Conservation Authority RR#4, 237897 Inglis Falls Road Owen Sound, ON N4K 5N6</p>
<p>Niagara Escarpment Commission 99 King Street East Thornbury, ON N0H 2P0</p>	<p>Ministry of Transportation 659 Exeter Road London, ON N6E 1L3</p>

5. We suggest you make yourself aware of the following subsections of the Land Titles Act:
 - a) subsection 144(1) requires all new plans to be registered in a Land Titles system if the land is situated in a land titles division; and
 - b) subsection 144(2) allows certain exceptions.

The subdivision plan for Registration must be in conformity with the applicable Ontario Regulation under The Registry Act.

6. It is suggested that the municipality register the subdivision agreement as provided by subsection 51(26) of the Planning Act against the land to which it applies, as notice to prospective purchasers.

7. Portions of the Plan may be subject to the Grey Sauble Conservation Authority's 'Regulation of Development, Interference with Wetlands and Alterations to Shorelines and Watercourses' (Regulation No. 151/06). As such, written

permission may be required from the Authority prior to any site alteration occurring on the subject property.

8. All measurements in subdivision final plans must be presented in metric units.
9. The final plan approved by the County must be registered within thirty (30) days or the County may withdraw its approval under subsection 51(21) of the Planning Act RSO 1990, as amended.

I, Randy Scherzer, of the Township of Georgian Bluffs, In the County of Grey, make oath and say as follows:

Qualifications

1. I am currently the Director of Planning for the County of Grey and have held this position for the past 2 years. I have been employed by the County of Grey for approximately 10 years.
2. I possess a Bachelor of Environment Studies Degree (Honours Urban and Regional Planning) from the University of Waterloo.
3. I am a qualified land use planner with (9) year of experience. I have been qualified to provide expert opinion evidence with respect to land use planning at the Ontario Municipal Board on a number of occasions in the past.

4. I am a full member of the Canadian Institute of Planners and a Registered Professional Planner within Ontario.
5. A copy of my Curriculum Vitae is attached as Exhibit A to this my affidavit.

Involvement

6. I have been involved with the review of these files since June 2010 when the former Director of Planning for the County retired.

Background

7. The subject lands are described as Part Lot 89, Plan 529, Town of The Blue Mountains (geographic Township of Collingwood). The subject lands are located in the Craigeleith area on an irregularly shaped 3.4 hectare parcel north of Highway 26 which gains access via Brophy's Lane.
8. Ken Havens (960121 Ontario Inc.) submitted the plan of subdivision and plan of condominium applications on October 28, 2008. The original applications proposed a 19 lot residential plan of subdivision to be accessed via an internal private road. The current proposed plan of subdivision and plan of condominium applications proposes to create 16 single detached lots (Lots 1 to 16) with common element blocks being the storm water management block (Block 18), the servicing corridor block (Block 19), and the internal private road (Block 20). Proposed Block 17 and Block 21 (Wetland and Wetland Buffer blocks) are to be conveyed to the Town of The Blue Mountains. The proposed plan of subdivision and plan of condominium agreed upon by the parties can be found in Schedules B and C respectively of the Minutes of Settlement.
9. The original zoning by-law amendment submitted to the Town of The Blue Mountains proposed to amend Township of Collingwood Zoning Bylaw 83-40 of the Town of The Blue Mountains to rezone the subject lands from Deferred Development zone (DD) to Residential Second Density zone (R2), Private Open Space zone (OS2) and Hazard zone (H) to permit the development of nineteen single family detached lots. The revised zoning by-law amendment proposes to rezone the subject lands from Deferred Development zone (DD) to the Residential First Density zone with exceptions (R1-236-h), Private Open Space zone (OS2-h), and Hazard zone (H) to permit sixteen single family dwellings. The R1-236-h exception zone provides minimum yard setbacks for specified lots as identified in Key Map Schedule "A-2". The proposed zoning by-law amendment agreed upon by the parties can be found in Schedule A of the Minutes of Settlement.
10. On May 3, 2010, a statutory public meeting was held under the Planning Act for the purposes of considering the proposed plan of subdivision and plan of condominium and the amendment to the Township of Collingwood Zoning By-law.
11. On June 13, 2011, the Applicant appealed the plan of subdivision and plan of condominium Applications submitted to the County, as well as the zoning by-law amendment application submitted to the Town, based on the County and the Town not making a decision on the applications within the prescribed timeframe under the Planning Act.
12. Most of the delay with respect to these applications has been a result of the natural heritage features on the subject lands and identifying the precise location of the Provincially Significant Wetland and determining the required setbacks to the Wetland.

13. With respect to the precise location of the Provincially Significant Wetland, the Ministry of Natural Resources has performed site visits to verify the precise location of the Provincially Significant Wetland on the subject lands. The Ministry of Natural Resources is satisfied with the location of the Wetland on the subject lands which is contained within Block 17.
14. With respect to the setbacks from the Wetland, there have been significant discussions and correspondence between the County/Town environmental peer reviewer and the Applicant's environmental consultant including site visits to the subject lands.
15. Based on the information provided by the Applicant's environmental consultant, the Town/County peer reviewer (Linda Liisa Sober, H.B.Sc., SAAR Environmental Ltd.) is satisfied with the proposed 10 metre setback from the Wetlands to the proposed lot boundaries for both the Wetland located on the north portion of the subject lands, as well as the Wetland directly south of the subject lands.
16. The County Official Plan designates the subject lands as Escarpment Recreation Area and Provincially Significant Wetlands. The Town of The Blue Mountains Official Plan designates the subject lands Recreational Residential Exception#50, Wetland Hazard, and Hazard.
17. The revised Provincially Significant Wetland boundary as approved by the Ministry of Natural Resources has been incorporated into the County's 5 Year Review Official Plan Amendment (Official Plan Amendment No. 80). Official Plan Amendment No. 80 has been approved by the Province and several outstanding appeals were submitted against the Province's decision; however none of the appeals relate to the Provincially Significant Wetlands.
18. The Town of The Blue Mountains will be revising the Wetland Hazard boundary in the Town's Official Plan as part of the Town's 5 year review. This will bring the Town Plan into conformity with the County Official Plan and identify the correct Wetland boundary as approved by the Ministry of Natural Resources. Section 27(4) of the Planning Act indicates that in the event of a conflict between the upper-tier official plan and the lower-tier official plan, the plan of the upper-tier prevails to the extent of the conflict.
19. Previous comments from the Grey Sauble Conservation Authority and the Niagara Escarpment Commission cited concerns with respect to the protection of natural heritage features and natural hazards. On August 5, 2011, a meeting was held in the Town of The Blue Mountains in an attempt to resolve the outstanding concerns identified by the agencies. I was not in attendance for this meeting, but based on minutes taken from the meeting, as well as discussions with Town staff, it is my understanding that the meeting concluded with the parties agreeing to an appropriate direction including revising the proposed plan and identifying suggested conditions of draft approval to address the natural heritage and natural hazard concerns. The Niagara Escarpment Commission was not in attendance for this meeting.
20. To address the outstanding issues, a revised draft plan was circulated by the Applicant which incorporated the agreed upon direction discussed at the August 5, 2011 meeting. The revised plan includes a reduction in the proposed lots from 19 single detached lots to 16 single detached residential lots. The revised plan also eliminates the continuation of the private road to the easterly extent of Brophy's Lane. The proposed setback between the Provincially Significant Wetland and the proposed storm water management area has been increased to 10 metres.

21. The recommended conditions of draft approval also includes conditions of draft approval discussed at the August 5, 2011 meeting, which includes: requiring that the storm water management facility be "naturalized" to provide an enhanced habitat function; requiring the completion of drainage, landscape and tree preservation plans to the satisfaction of the Town, the Niagara Escarpment Commission and the Grey Sauble Conservation Authority; requiring a detailed engineering and drainage report to the satisfaction of the Town and the Grey Sauble Conservation Authority; and requiring that the north-south wildlife corridor connecting the two wetland units be preserved and enhanced with a 5 metre planting enhancement within proposed Lots 6 & 7 to the satisfaction of the Town and the Grey Sauble Conservation Authority.
22. On December 20, 2011, the County Planning Committee supported the revised plan of subdivision/condominium in principle and directed County staff to work with the Town of The Blue Mountains and the Applicant to develop conditions of draft approval in an attempt to resolve the outstanding matters through minutes of settlement.
23. On May 14, 2012, the Town of The Blue Mountains Council supported the revised plan of subdivision, plan of condominium, and zoning by-law amendment in principle and endorsed the minutes of settlement.

Evidence

24. The proposed Plan of Subdivision and Plan of Condominium (Schedule B and C respectively to the Minutes of Settlement) have been agreed upon by all parties to the Minutes of Settlement subject to the draft conditions as outlined in Schedule D to the Minutes of Settlement.
25. The Zoning By-law Amendment (Schedule A to the Minutes of Settlement) has been agreed upon by all parties to the Minutes of Settlement.
26. The Minutes of Settlement have been entered into between the County of Grey, the Town of The Blue Mountains, and the Applicant (Ken Havens).

Summary/Conclusions

27. It is my opinion that the subject Minutes of Settlement, Plan of Subdivision and Plan of Condominium as attached in Appendices B and C, respectively, to the Minutes of Settlement, along with the conditions of draft plan approval (Schedule D to the Minutes of Settlement), have regard to the criteria identified in Section 51(24) of the Planning Act, are consistent with the Provincial Policy Statement and conforms to the purposes and policies of the County of Grey Official Plan and the Town of The Blue Mountains Official Plan, and represents good land use planning.
28. The Zoning By-law Amendment as attached in Appendix A to the Minutes of Settlement is consistent with the Provincial Policy Statement, conforms to the purposes and policies of the County Official Plan and Town of The Blue Mountains Official Plan, and represents good land use planning.
29. Should the Board accept the Minutes of Settlement and approve the Plan of Subdivision and Plan of Condominium, the County requests the Board under Section 51(56.1) of the Planning Act to provide that the final approval of the Plan of Subdivision and Plan of Condominium for the purposes of Section 51(58) of the Act be given to the County.

And I make this affidavit conscientiously believing it to be true, and knowing that it is of the same force and effect as if made under oath.
