Please be advised that at its meeting held October 23, 2025, Grey County Council supported the following resolution:

CW127-25

Moved by: Councillor Greig

Seconded by: Councillor Dobreen

Whereas Part 2 of the Municipal Act generally confers broad authority on the municipality to enable the municipality to govern its affairs as it considers appropriate and to enhance the municipality's ability to respond to municipal issues; and

Whereas community safety is of foremost concern to residents; and

Whereas automated speed traffic cameras assist in responding to resident concerns;

Now Therefore Be it Resolved That this council asks MPP Vickers and MPP Saunderson to support this position in opposing any provincial legislation introduced to prohibit the use of automated speed enforcement; and

That this resolution be circulated to each municipality within Grey County requesting their endorsement; and

That the resolution be sent to Premier Ford, Minister of Transportation Prabmeet Sarkaria, MPP Vickers and MPP Saunderson.

We request that your Council endorse the above resolution.
