

## NOTICE OF PUBLIC INFORMATION CENTRE DRAKE'S PATH WASTEWATER SERVICING EXTENSION Contract # 2020-57-P-OPS

### PROJECT OVERVIEW

Drake's Path is located in the Craigleith Service Area within the Town of The Blue Mountains. It was serviced with municipal water in the early 1990s and the Town has now identified this area to extend wastewater servicing. This servicing extension will include the installation of approximately 280m of wastewater main consisting of gravity sewer and/or low pressure forcemain from the existing main on Grey Road 19. The servicing works will include sanitary service connections to each lot fronting the main from the municipal sewer to property line with restoration of disturbed areas to existing conditions (gravel road/grassed boulevard). The project will also include a gravel turnaround and minor drainage improvements.

The Town intends to proceed with this construction project in the summer of 2022.
