Traffic calming on Beaver St. S I live on Beaver St. [REDACTED] facing the street. Traffic on the street has increased and posted speed limit ignored. I request that a stop sign on Beaver St. S, at the 5 point intersection Alice St. Landsdowne and Beaver St. be installed immediately. Drivers on that intersection need to stop to safely enter this intersection. Traffic calming speed bumps along Beaver St. S from Alfred to Alice St. is a further request to calm the speeders. Thank you to bring this matter up in council and to proceed with a solution and action.

Regards,

Elsbeth Wright
