

Town of the Blue Mountains
Grants & Donations Committee

May 20, 2021

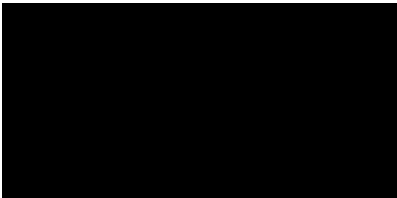

Dear Members of the Grants and Donations Committee,

Thank you so much for your generous support of the Georgian Triangle Humane Society.

We anticipate running 10 spay and neuter clinics for community and feral cats in 2021. Funding from The Town of the Blue Mountains means that we are better able to cover the cost of one of these important clinics. As you are likely aware, spay and neuter services are the most humane way to keep animal population under control. This is even more relevant with free roaming animals.

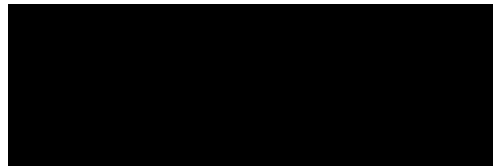

Thank you for supporting the humane treatment of animals in our community!

Warm regards,

Sonya Reichel
