Re: Application for Proclamation – POL.COR.21.01 – Wee Willi Winkels Day

Dear Shawn:

As you are aware Celine Szoges has prepared and submitted the above Application to honour my late brother Willi. Celine has been instrumental in researching, interviewing and documenting the unique and extensive contributions which Willi made to the snow and skateboarding sports. His wife, Judy, will also be communicating with you and I can assure you that she and the rest of Willi's family are very supportive of Celine's Application.

I do not know of anyone who had the passion that Willi did for the development and promotion of the snowboard sport and his legacy is certainly deserving of the proposed recognition.

Please contact me should you wish to discuss or require additional information.

Many thanks to you and Town Council for your efforts in this matter.

Sincerely, [REDACTED]

Fritz Winkels
