

NOTICE OF PUBLIC INFORMATION CENTRE NO. 2 WATERMAIN REPLACEMENT AND SANITARY SERVICING IN TYROLEAN VILLAGE Contract # 2020-60-P-OPS

Project Overview

As a follow-up to the first Public Information Centre held on May 6th, 2021, a second Public Information Centre is being held to update the public on project progress and the plans for the project going forward.

The proposed works will include the following:

- Replacement of approximately 1,000m of watermain on Tyrolean Lane, Kandahar Lane, Arlberg Cres. and Birch View Trail including water services to property line.
- Construction of approximately 1,000 m of new Sanitary Sewers on Tyrolean Lane from Arlberg Cres. to Birch View Trail including sanitary service connections to property line.
- Construction of 450m of new low-pressure sanitary sewer forcemain on Birch View Trail from the end to the intersection with Arlberg Cres. including sanitary service connections to property line.
- Restoration of disturbed areas to match existing surfaces.

The watermain component of the project is financed through the capital budget. The sanitary sewer is a local improvement and will be paid by landowners with frontage on the new sanitary sewers if the project is deemed affordable under the requirements of the Affordability Policy for Water and Wastewater Service Extensions (POL.COR.17.02). The criteria for division and payment of these costs will be discussed in the Public Information Centre. This information has been updated and provides a delineation of the cost sharing between different zoning designations within the project limits.

The Town intends to proceed with this construction project in the summer of 2022.

For more information, please visit the Town's website at: <https://www.thebluemountains.ca/tyrolean-watermain-replacement-ww-servicing.cfm?is=27>

VIRTUAL PUBLIC OPEN HOUSE

A Virtual Public Open House is being held to gather input from stakeholders. All those interested in the project are invited to attend the Virtual Public Open House on **Thursday, December 2 from 5-7 pm.**

Contact icpc@thebluemountains.ca to register for a link to connect to this event.

If you are unable to attend or require further information, please contact, or provide comments to:
